## Tuition Breakdown

Thank you for the opportunity to partner with you in the music education of your child/children. This is an explanation of the financial obligation and the even-pay plan.

Below is a breakdown of what you pay. There are 3 make-up lessons scheduled at the end of each semester, in the event we are unable to schedule qualifying make-up lessons as we go. The time you are scheduled is your reserved time slot. Although things come up, a make-up lesson is not guaranteed aside from the one each semester. Reimbursements or reduced rates for missed or canceled lessons are not an option since this is a reserved time for you that the teacher has planned and set aside for you.

Included in your tuition are all the items listed below, based upon 44 lessons per year, September - August:

60-Minutes Lessons - \$46

45-Minute Lessons - \$34

30-Minute Lessons - \$23

Library Fee - \$50 (all music is included, whether music provided for your student or loaned from the studio library. Studio library items must be returned in the condition given or a fee will be assessed)

Programming Fee - \$50 (recitals, etc.)
